## HOW TO SUBMIT:

After you have gathered the appropriate documents to register your team please scan or create PDF files for each document type (i.e., player cards, guidelines, team information sheet should all be separate files) as they will be uploaded separately. Ensure you use descriptive names so you will know which files to upload. We recommend scanning multiple player cards at one time to fill an 8.5" x 11" piece of paper and thus requiring fewer "Player Cards" attachments.

Follow the instructions below:

- a. Login to [www.gotsoccer.com](http://www.gotsoccer.com) with your username and password.
- b. Select the Kick Off Classic Tournament
- c. Select "Documents"
- d. Select the labels from the drop down list and upload the corresponding files.

As we review and approve your registration materials, we will place check marks next to your documents within GotSoccer. Once we have accepted all materials, we will post your approved stamped roster on GotSoccer for you to download. You will also receive an email notifying you.
